Dearest cousin Rai Lynne: God is there, with you. for He knows all our weakness and the blunders that we make and yet, He is there, to always guide us, during the good and the bad and sad times. Just reach out and remember we all have our trials and errors, and this is how we learn, but then, we will all be perfect, when to Him, we shall return. You have been a great mother and friend to many and we hope these words can bring you comfort. And remember that when it's God we seek and we share in His love, He your troubles, will bear. Our love to you always and please extend our condolences to the rest of your family. The Maksimow's.
