Dear Terry, I was so sad to hear of your Mom's passing. I know what good care you took of her. My father, as well, died of Alzheimer's at the age of 80. It is a terrible disease. My thoughts are with you.

My deepest sympathy for your loss. I'm so lucky to have known Doris. I spent many enjoyable hours with her shopping, going out to eat and the best part, just talking to her. She had a way of making the daily problems seem to go away. I will miss Doris always but I will remember her beautiful smile, the days we both shared and the way we both loved really good cupcakes with lots of frosting.

I will remember her wit & her charm. Her smile was my sunshine & my home was hers. She talked of her life remembering her joys, remembering the pain, the loving & living life over again. With the loss of Doris my battered heart swells for I know in her heart a young girl still dwells. Dee Lance

May God bless you and your family in your hour of grief. I had the privilege of volunteering at Lakeview Regional Medical Center with Doris and she had a beautiful sense of humor and she touched so many lives as a volunteer. And as a Eucharistic Minister I was able to bring her Holy Communion while she was a patient in the hospital. I feel blessed to have known her.
