27 Dec.2014I tried to write yesterday but could not get the site. Today it came right up. We had a nice Christmas, but we missed you and Andrea. Dominic & Juliana did not get much as money is tight with April. We had a Christmas dinner on 21 Dec. Sunday. Dom could not attend as he had the flu. When I put our Christmas tree and hung the ornaments I came across the 2 that you gave me, and I did get emotional. They were unique. Well I hope you are alright and in a nice place.Remember that I love you and miss you very much. Every day I think about something you said or did.

My deepest sympathies to all of Daryl's family. Though I dont know what happened, I was very sad to learn of his death. I knew Daryl in the early 90's during a tough time in his life...20 years ago, that's hard to believe. This picture of him is exactly how I remember him, except I now see some gray hair. :) Inside he was a good person, I always believed that. I'm very sorry for your loss. I read here that he was married with children...It seems he had a happy life. Gone too soon. I pray he now rests in peace. I would enjoy hearing from someone in Daryl's family on Facebook. Just type in my name: Facebook.com/loritassin or search Lori Perkins Tassin. May God bless you all & may you feel His loving arms of comfort surrounding you. ~Lori
