Patricia Cavin McDaniel Geagan

DEC 7, 1973 - DEC 4, 2010

Patricia Cavin McDaniel Geagan, went to be with the Lord on Saturday, December 4, 2010.

Beloved mother of Cynthia, Destiny, Rankin, Van, Patricia (PJ) McDaniel and Britany (Rose) Geagan. Daughter of Cynthia M. and Van Cavin. Also survived by aunts, uncles, and cousins.

Patricia was always full of life, loved to have fun and loved to laugh. She had a big and forgiving heart. She loved her children more than anything else in the world. Aged 36 years. A native of Metairie, LA and a resident of El Cajon, CA.

“OK, girl, as we said many times before, Mom and Dad made you travel the United States so we could support our family. Mom said you came into this world in trouble, anxious to get out only 7 months into pregnancy. You are a beautiful person that endured so much in your short life. We will never know the physical pain you felt but now that you are gone, Mom and Dad have a pretty good idea. The hurt is so deep, like something we have never experienced before. You gave the gift of life to six beautiful kids; they all love you so very much. Well, it is now time for you to travel again. You are coming home to Louisiana where all will gather to prepare you for the ultimate relocation in Heaven. We love you and know we will reunite again. No more pain where you are now, Lil Babe!!!”

We love you, Mom and Dad.

Relatives and friends of the family are invited to attend the funeral mass on Tuesday, December 14, 2010 at 1:30 PM from E.J. Fielding Funeral Home Inc., 2260 W. 21st. Ave., Covington, LA 70433. Visitation from 11:30 AM until service time.

Hello Trish, I am missing you terribly. Just cannot believe you are gone. I am having a difficult time accepting this. This does not seem real just a very bad dream. I am still thinking you are going to call me and say...Hey Mom, its your daughter, what are you doing? You would always say we, you, Dad and I were the three Amigos and no one could break us up but you are in a much better place, a beautiful place. I know you are happy and free now. You will always be young and beautiful. I know you are watching over your children and they know how much you loved and care for them. You are their guardian angel. Love you always and forever. Mom P.S. You know your Dad loves you very much....

Mom, I wasn't sure what to do with your wrapped Christmas gifts... I'm sad you weren't around to be with me during the holidays. This would of been our first Christmas together in four years, your birthday too. Anthony and I miss you so much. Everyday, It's hard to think that life still goes on... still have to get up, take a shower, go to work, cook, clean. I wish i could sleep forever. Cynthia gave me some really good advice on how to find closure. I just hope you forgive me for me not insisting on helping you the night you passed away. You said you didn't want any help, and I wish i would of looked passed what you said and just stayed by your side till you were better. I Love You Mom. You will always be in my heart and soul. -Destiny

Patricia, even though I only met you a few times - they were memorable ones. You were staying at your Mom & Dad's house with your precious children who I immediately fell in love with. I do remember your lovely smile and the way you handled your "little ones" I really believe that God called you to Himself because you were so special. I hope you will find peace and contentment in the Arms of Jesus who loves you. My heart goes out to your dear parents & children because they have suffered a get loss even though we know we all will meet again when Gods call each of us home...the pain in our hearts linger. Now, that you are next to the Lord himself, please pray for them. Love, cousin Nancy

Trish, oh how I wish things were different with our family. I always wanted our family to be close, but things didnt happen as such. I know we havnt seen each other in quite sometime, but even though we have not seen each other does not mean I didnt think of you often. You never got the chance to meet your little cousins, and I only had the honor to meet Cynni. You are loved by so many, I see all the postings on your Facebook and it literally brings tears to my eyes! I see how much every one of your kids loves you... and I KNOW you loved them. That's all you talked about! I love you Trish, and I know you are looking down on us. You were a beautiful woman on Earth and now you are a beautiful angel. God knows how to pick them, he only takes the BEST! God bless you, your kids and everyone you have touched in your short life.

Your Mom would have you dressed in your little night gown. You looked like a little princess. So, that became your nickname with Uncle David "Little Princess" You & your parents were staying with Paw Paw McCabe because you all were on your way to another state to live. Mommy, I know you would want me to sign this book even though I don't know if you are reading this right now. I love and miss you very much. You are the best mom anyone could ask for. I know you would have and did spend your last penny on us. I hope when I have kids that they will love me as much as I love you. Even though you weren't around all of the time I still knew you loved me. I know you are up in heaven looking down on me writing this. I can't put in words of how much I Love You. I wish I would have gotten to see you before you passed. But even though I didn't I still feel your presence everywhere I go. It's like you're not even gone. Like everyone else is saying this is not "goodbye" it's "see you later" I don't think about it like that I have never said goodbye to you and I never will I have never said see you later to you and never will just because you are not here in person doesn't mean you are not here in my heart. I love you with all my heart and a piece.
