Ida Gilmour was a devoted wife and mother. In addition she was the wife of the manager of the City of Perry. She was undoubtedly one of the best ambassadors our community has ever had. Everywhere Mayor and City Council traveled to attend municipal association meetings, she was in contact with the other city officials sharing with them all the good things we had going on in our community. She was an outstanding cheerleader for our community. We will miss her enthusiasm as well as her friendship. Our prayer is that all of her family will feel God's comforting presence at this difficult time.

The Stickney family has so many happy memories of growing up with and being watched over and cared for by Betty and Ida "Hart" as Robert used to say. Ida's self-deprecating humor and creative side made her our favorite babysitter. Robert and I looked forward to her staying with us, particularly when our parents went out of town. We are so sorry for your loss and we know what a wonderful wife, mother, sister, and aunt she was to her family because she treated us the same way. We will miss her.
