Ms. Vernie and family: We are so sorry for the loss of Patricia and my prayers are with you and your family. She was a very special person and a wonderful mother. I admired her courage and strength so very much. She did everything for her children, even when she was at her weakest- she never gave up. God didn't give up either- I am sure her had a special place in heaven for her to watch over her children always. I am so glad to have had the privilege to have known her-even for a short time.

When your sister's wake happened last week, my father was in the last days of his life too. I would have liked to have offered you my condolences then, but I just didn't get to attend the wake and I have been away from the office ever since. Please accept my condolences now and be assured of my prayers for you and her family.
