Dear Paul and family, Jane was special to me. She made our stay at the motel so much fun when we had our reunion two years ago. She was definitely a kindred spirit to me. She was especially loyal in writing to cheer Nell up when she was sick. Jane's letters were guaranteed to make our day. She will be missed. Nan White Pitman

Jane was a best friend from the moment I met her. I will always remember Friday night pizzas, the first time she saw snow, cookouts on the deck, bonfires in the back yard, and so much more. I have those wonderful memories that nothing can take away. She will be in my heart forever.

It is a difficult thing to have to move forward on your own. The memories from the past, the love of our families and friends in the present and the ability to look to the future with optimism are the sustaining forces in our lives. As a friend I share in your sadness, but wish for you a calm and satisfying future. bev
