No one embodied the spirit of Mandeville like Mr. Griffin. It was a visit annually to my office that made by year. His concern for others, his sense of humor, and his self-reliance are characteristics we all can use. May your faith support your grief and may Mr. Griffin live on in all of us.

Ernie...I am soo sorry to hear about Mr Bubby. He was such a good friend of the family. Daddy enjoyed Bubby's little visits so much and me too. I loved his stories as I could sit for hours and listen to him talk about "Old Mandeville" & his dad's bakery and all that he had done in his life. He had so much to tell it seemed that no one could do all of those things in one life time but he did. He had a very interesting life. Mr Bubby was one of my favorite people. Your family & mine has been friends for so many yrs. I'm sure no one could even begin to say when the friendship all started. One thing for sure is that your dad is in HEAVEN with your mom and you can take comfort in that. Bubby will make a very interesting ANGEL. My love and prayers are with you all. Madeline
