To Roy and Anthony, We send our sympathy to you on this loss. She was a very devoted person, both as a wife and as a mother. We are certain she is in the arms of her Savior, Jesus Christ, and her suffering and pain has ended. You will see her again when your spirits meet in paradise. We will continue to pray for you and hope you will allow the Lord to nurture your spirit to ready you for the time when you will be together again. We love seeing Anthony at Sunday School and he seems to love coming there. May God bless both of you and strengthen you in this special time of need.

Annette will be greatly missed. She was such a wonderful person. Very loving and caring. She was my daughter's (Natalie) dancing teacher at CDDA in Terrytown for 2 years before moving across the lake. She was missed then and more even now. But, NEVER forgotten! She was a very good and possitive roll model and so great with the children. My prayers and thoughts are with your family as you go through this difficult time in your lives. May you drawn strenght in her fine memories and God during these sad times. Thank you Annette for being a part of our lives and thank you to her husband and son for sharing such a wonderful person with us...

Annette was more than my neighbor and my friend, she, Roy, and Anthony are like part of our family. She was one of the most genuine,caring people that I've ever been blessed to know. We have shared many wonderful times together with our boys; holidays, vacations, movies, football games, birthdays, and also our 5am bike rides. She was a loving mother and devoted wife. You could see in everything she did, that her entire world revolved around Roy and Anthony. She was honestly one of the only people that I truly knew would be there for me and watch out for my family as she also knew I would always be there for them. Annette, we love you and will always be here for Roy and Anthony. I will miss you more than anyone will ever know. You are my dear friend and I love you.
