We will always love you and we miss you everyday. You always made every morning so much fun i will miss having you to talk to and your "Papose" will miss you greatly. You touched our lives in so many ways, i'll never forget the stories you told me from your childhood and the wisdom you passed down to me through my mom and through you i will pass it down to my children. Thank you, we will miss you greatly but heaven needed a new angel and God knew you were the best. We Love you and will miss you Mudder!

My fondest memory will be how she always called me on my birthday every year. She wouldn't say hello, she just started off singing happy birthday to me. I will miss that call this year. I will miss how funny she could be. I loved her and will miss her. Jesse Jr.
