I have a friend who is in need of help and suggested Holmes Harrison. I am totally dismayed, however I wish to express to his family my deepest sympathy. He helped me during my darkest hours. I still carry a card he gave me with God's Truths on one side and Satan's lies on the back. I read it and share it with others. He was a great man of God who lived with Christlikeness.

My sincerest condolences to the family. Holmes was the infinite professional. He was my consultant at a local nursing home for many years. I also went to some counseling sessions with him when I was going through some rough times. His calm, quiet wisdom and sense of humor helped me through. He will be remembered
