Uncle Bill, Even though we just got to know you and Aunt Linda over the last several years, you were still our "Uncle" and you made me feel very welcome in your family. I'm so glad we were able to meet each other's families and spend some quality time together. I was really touched when you came out to CA for my mom's funeral. I always felt you both were there for me if I needed you. Thank you for your love and kindness. Love always, Cheryl

Bill you have been such an inspiration in my life and you will truly be missed. The times that Linda and I would be upstairs sewing and you'd be blasting the television downstairs and we'd yell to you "TURN IT DOWN"... lol Now you can really crank it up. The best laugh we had was when you were in the hospital and you would introduce me as your sister the nurse would have that confused look on her face and we would crack up when she left, that was sooooo funny. I personally know that Linda, Blain, Molly, Caroline and Clair will truly miss you, and myself and my family included. So now you can rest painlessly my brother. May God Bless You..... Love Your Sister Edna
