Granny was an incredible daughter, mother, wife, grandmother, friend and most of all a roll model. Her legacy will live on. We shared some great times together that I will ALWAYS treasure. I know you will be watching down on us and keeping everyone in line when we astray. It still seems unreal that you are actually gone. However, you are in a better place and at peace. I just hope I can become half the person you were. I will always hold onto the memories I have of you and think of them when I start to miss you. Poopsi, Uncle Donald, and Dad are incredibly lucky to have had such a wonderful mother like you. You are a woman that comes few and far between. We all love you and miss you bunches but then again I am glad I gained another angel to watch over me.

Uncle Donald, Donald James, Kim and Judy, We are so sorry for your loss. Althea sure was a wonderful person and so funny!!! I know you will always have wonderful memories in your hearts of all those years growing up. Uncle Donald, I am sure she is bringing a few jokes to heaven with her. I know how hard it is to not have your Mom... is it something we are never really prepared for. However, she is in a much better place that now she can truly enjoy your lives and wonderful children and grandchildren and all their accomplishments. Please know our prayers and thoughts are with you today. Ronnie is in jury duty and has been picked for a trial starting today and I have my grandchildren today so we are not able to make the funeral. However we will be praying for you all today. Love, Ronnie and Debbie
