I am so sorry to hear of Peggy's death. We met several years ago at The Bridge Center in Metairie and enjoyed playing the game. Peggy and Terry were an awesome pair, coming in first often. Although I haven't seen her since she stopped coming to the center I will always remember the fun we had together. My thoughts and prayers are with Terry and her family. Sincerely, Irma

I am one of Peggy's online sisters through "Sisters of The Fat Dragon Slayers." I can't begin to tell you how much I will miss Peggy. She has been a wonderful, kind, fun, and supportive person to me for these past 9 years. In no time at all I grew to love her as a real sister. Peggy's always amazed me with her computer and programming skills, along with her digital photography knowledge. I'm so glad I knew her and now I shall miss her always. My deepest condolences to Terry, Renee, Baron and Peggy's parents. Over the years we have heard so much about you from Peggy that it feels as if we truly know you. Judy Baxley

Peggy was one very special person! Determined, strong and independent but at the same time funny, quick-witted and artistic. I know that everyone will miss her terribly. I send my heartfelt sympathy to Terry, Renee and her family, Baron and his family, and to Peggy's parents and brother. My husband and I had the pleasure of meeting Peggy and Terry two times, but for most of the past 12 years, Peggy has been my internet Sister - a fellow member of the Sisterhood of the Fat Dragon Slayers (the SFDS). This close knit group of polio survivors has exchanged emails and visits, supporting each other, informing each other and cheering each other on. Peggy was an integral part of the SFDS - a founding member. Her death leaves a space that cannot be filled. She will always be a part of the SFDS and she will always fill a space in all of our hearts. With {{{Hugs}}} and Love, Marcia Falconer
