To Judy and Paul, I was just notified about Dave's passing to the Lord. I first met Dave at The College of Steubenville and developed a relationship with him as his "little brother" in 1965 when pledging Lambda Chi Alpha. I always remember Dave's encouragement while trying to manage my dual responsibilities playing basketball for the Barons and as a pledge. He also provided a protective hand at times from a few overly "dedicated" brothers during pledge period. We renewed contact with each other when I refereed a game at the University of New Orleans. It was a delightful reunion and I so appreciated him taking in the game and having dinner with me afterward catching up. May our dear Lord bless all of you who shared in his earthly residence and know that Dave was special to me. My prayers and condolences are with you. Regards, Bob Straface, '68

You were always a great friend though we didn't talk often. And I always enjoyed our golf games. The Steelers lost their #1 fan. Judy, you are in my prayers and thoughts at this sad time.
