Your mom was a "mom" to all of the friends of her children in the way that she welcomed us all in her home and offered to feed us no matter how many people there were. I think she felt as long as there was food, we were all welcome to share it. She was a loving and generous woman. She will be remembered with love and admiration. I pray that you all feel loved by our Lord and so many friends as you walk through this very difficult time of grief.
