I will never forget our years at the Carlyle...our trips to Studio 54...our Diana Ross in Central Park concert...playing Pac Man...so much more. But more than anything, I will always remember that you had faith in me. You never turned me away. You saved me and helped me to live again. You are in my heart forever.

Dear Michael, Scott & Robert, I worked with your mother in New Orleans and even babysat you all one weekend. Carolyn was a wonderful person and boss. I learned so much from her and that experience sent me on a 10 year career in the hotel business. I am so sorry for your loss. Jane Harrison Egasti, St. Petersburg, FL

I regret that I did not have more time to know Carolyn but in the time we did have she always went out of her way to ask about me and my husband. She always took the extra step to make "newbies" to our knitting group feel welcome. You will truly be missed. Dana Molonguet
