Andy you will be dearly missed. You always told me to stay on my feet, and even though you were talking about soccer, I have tried to apply that to all aspects of life. Memories of you will linger on forever.

Dear Marcy, Andy was the sweetest, kindest human being on the planet. Remembering his sense of humor and especially the Cajun 'axecent' makes me smile to this day. I have never been able to say mayonnaise correctly since I first heard Andy say 'Mynez' so many, many years ago. Your family is amazing and I know you have a wealth of love and support close by, but know I'm sending some all the way from Oregon. My thoughts and prayers are with you, the children, and the extended family. Andy is much loved. Lisa
