What a role model he was for all of us young men in this family . He served our God Family and Country to the best of his ability. Before my own father passed away he told me how proud he was of his children . I know that Joe felt the same way for the real lagacy of all parents should be our children to carry on our Christian values . Jesus said he was going to prepare a place for us , Joe is in that place . Prays God for Uncle Joes life.
