Floyd, Ron, Dale and family members. Words can't express the emptiness in my heart today knowing that I will never see Mildred's sweet face or hear her words of encouragement again while on this earth. Mildred was my Mentor and Confidant through some of the toughest years of my life. Her sense of humor and positive attitude I will never forget. We shared so many good laughs and crys together. I visited them quite often and their home was filled with warmth and love. She always had a good pot of something cooking on the stove and a homemade cake or pie to go with the coffee. Mildred's Testimony today would be, "Don't get discouraged in your walk with Christ, fight the good fight, don't give up, heaven is worth it all". I know she is walking the streets of gold today singing praises to our Lord and Savior. She fought the good fight and made it home. She will be missed greatly. Floyd, God will fill your empty heart, wrap you in his loving arms, and heal your broken heart. Put your trust in him, Mildred is waiting for us with open arms. Ron and Dale, you were blessed to have her as a mother. Her love and compassion for others was rare in today's society. Always remember her words of advice and encouragement, she adored you both and was so proud of your accomplishments as men. She will live in my heart always. Geri King, Grant

Floyd, Ronnie and Dale, I was so sorry to hear of Mildred's passing. My prayers and thoughts are with all of you and the family. I have such plesant memories of Mildred. Being raised there on Lee Road and my parents as well as all of you being so active in the Church we were together often. I especially remember her Chocolate Cake. The one with the whole marshmallows on top covered with home made fudge topping. I can almost taste it now. I remember family gatherings at your house, all the shrimp boils and all the good food and good times. I have precious memories of all of you. May our Lord hold you close to His heart and keep you there. Healing takes time, but it will come. God is Faithful to His children. Love, Cheryl (King), Harris, Clem

Our thoughts and our prayers are with your family. We are the former pastors of the Sharp's Chapel Church of God in Bush, LA. We knew of Sister Jenkins, and know this has been devastating for the family. Please know we are praying for you in this time of loss, that the peace of God will reign in your lives, and that it will be that peace that the scripture speaks of... which passeth all understanding.
