Dear Mark and Christy, I am so very sorry for your loss and this entire tragedy. As the first firefighter on scene I can assure you we done everything we could for these kids. NOW, we can do our part and hold you up in prayer before a God who is able to provide strength in your time of sorrow. All I have done thus far is bring pizza to some hungry kids but, if there is anything else we can do for you, PLEASE be assured that we will do our best to support you and be here for you and with you.
