My condolences to Patricia and the family. Aunt Violet was a sweet lady. I worked with her in my Senior year at CHS in the COE program at Dr. Daigle's office. Then to my surprise many years later she would be an Aunt by marriage. Small world. She will surely be missed.

I'm so sorry to hear of the loss of Ms. Jenkins. Dr. Daigle was my pediatrician from the moment he opened his practice on Boston Street in the early 1960s. To the best of my memory Ms. Jenkins was always his nurse. She was so sweet and gentle and always seemed so glad to see my mother, sisters and I each time we had a reason to visit the office. She was truly loved and appreciated by my family and all of Dr. Daigle's patients. She was such a big part of our lives growing up and she felt like family to us. I just wanted you all to know how special she was to others in the community, including those of us you don't know personally. I am truly sorry for your loss. I hope you will hear from other "kids" who Ms. Jenkins touched over the years with her kindness, concern and gentle nature.

Sincerely, Beth Lipscomb
