It is so hard to accept that Ms. Dolores, such a lovely kind hearted lady is no longer with us. When my Dad passed away, I always questioned why he was taken away from us. Thinking that maybe my opinion was biased, the further I have gone in life the more I see the really good hearted people leaving us too early. It maybe as her daughter Ms. Tonya states that the best within us sacrifice their lives to be our guardian angels. She raised a beautiful family - we feel like we are part of their family always welcoming us into their homes. Ms. Dolores never had anything bitter to say about anyone and always treated everyone in her home like her own. You truly will be missed we love you so much and know that your beautiful daughters and son will continue your legacy! Love Priyani & Suzy.
