To Maureen, Steve, Linda, and the entire Johnson family we send our sympathy and condolences. In the short time I have known Wiley and Maureen, I have come to appreciate Wiley as a gracious host, and gourmet chef. My brief visits, while traveling with Steve, have created lasting memories, including a dove hunt, my first crawfish boil, and cocktail afternoons watching the squirrels and wood ducks, while solving the world's problems. His presence will be missed. With Love and prayers... Rudy and Pat Reimsnyder

Maureen, I am sorry to read of Wiley's passing. He was truly a special man and I know you will greatly miss him. Some of my fondest memories of him are the many times he prepared something truly special for the annual Fourth of July party at my parents' home on Treasure Isle. Not only was the food memorable, but the fellowship we all shared with you and Wiley made it extra special. God bless you and your family. Jay Culotta

Maureen, sorry to hear about Wiley's passing. What a guy he was, truly one of a kind. As you know we shared many, many laughs together. He was kind, deeply passionate and knowledgeable about his craft, always willing to help, and was quick to wit. I learned so much from him. I can still hear his voice. I'm so glad I knew him and will always remember him. (I still have and use his original Weber grill that he gave me.) God Bless.

Maureen, I am praying for God to relieve your pain of the loss of the special man in all of our hearts. Your friendship over the years is very dear to me. When God calls us we have to go and all the people we have to leave to go home in heaven are left with the pain and the wonderful memories and we do have plenty. I wish that I could be there but I can't. Next week the house is closing for the sale... finally and I have to go to Colorado to take care my interest. You are in my prayers. We will have a visit when I am in Louisiana and have time. Call me anytime you want to talk. I love you, Marci Sells
