I am so sorry to hear about Cregg's passing. He was my first employer when I moved to Vermont in 1972 and I always considered him to be a very close friend and visited him whenever I got back down to Louisiana. He will truly be missed and I know that he and Rosie will always be looking down from above.

I had heard, but did not catch the date/time... My apologies... I sincerely believe that Cregg will be missed, and remembering those things in his life, which made him who he was, will continue his spirit, here in this world, if he cannot be here himself... Take care, MAC

Dear Tonia, I have known your mom and dad for over 30 years. Your Dad never loss sight of your mom. He talked about her every day! How he missed his Rosie. For the last four months,your Dad knew, that he was going to a better place, to be with Rosie.I often told him, OH no , poor Rosee! She can't get rid of your tired old A_. WE would laugh. Tonia, Your Dad would often say don't tell my daughter. When he was being good. We took him to the Casino, gave him fresh clean clothing, food brought to him, at the shop, opened our house, to get a good night rest. All he wanted to do is stay at the shop, HWY 59 be alone and pray. I have lost a long time friend, we will miss his sweet smile. WE all met in many places, in what we called the poor mans Country Club, the Spot. For the last three months his gold, was in his own way, to tell every one good bye and say you are in my prayers. I say to you Tonia, remember the good day and for all the bad days your mom will take care of him, she will keep him in line and he will have another chance to make her happy. With all our love from our family to yours. We will always, miss your Dad.~~ Cregg will be singing to George Jones, up to heaven. Carolyn Munster

Cregg offered support to all fields of life. His traveling circles, touched many, in conversations to enjoy at any given time. Ownership of Hwy 59 Car & Salvage, knowledge in race cars, placed him on the fast track of life, along with his other interesting car established places he had in the past. He could fix any type of car to get you going on the roads of St. Tammany. Well known to all, of the Food & Beverage people, social friends of the industry, enjoyed his ongoing visits in support. Cregg loved the song, "He Stopped Loving Her Today." Hugh George Jones Fan! Not one person had a problem with him playing his song as many times as he wanted. My dear friend of over 30 years, will be missed! May the angels dance with him everyday. Hearts of love to Tonia, his daughter, Mr. John, his best friend at Hwy. 59. May he find peace in the place he will rest, along with cross the path of the late, Ms. Rosie, he missed her everyday. His Spirit will guide his daughter and her family. As he told me, he did all he wanted to do in life and could not ask for any more. Sorry he took ill. My family & I will miss him.~~Cherie Ann Munster
