Dear Ms. Linda. My prayers go out to you and your family. Bob to me was a good and funny man. When I worked with him at Med Link Pharmacy he was a kick, he always made me laugh and I will never forget the good times at Med Link with Bob. He sure made a good and terrific mark on the people he knew. I got in touch with alot of people we worked with at Med Link. I hope they write to you as well. Sincerely Debbie Jenkins @ Ja-Roy Pest Control in Franklinton.

I was deeply saddened to hear about Bob's passing. I feel so bad that I have not gone to visit him lately. He was truly one of a kind. One of the most intelligent and colorful people I have met. I met him at a radio station christmas party (I was a talk host, he was a listener/caller), in the late 80's. Through that, we became friends. Linda, I am sorry for your loss. I feel lucky to have known Bob.....Dr. Bob, God Bless You and thank you for being part of my life.
