Hey sweetie, Just want you to know I'm thinking about you and always will miss you. I still haven't said goodbye and I don't think I can. I wait for you to call or e-mail or just pop up out of no where. Well we know that's not going to happen. Although I wish it would. You're in a better place and I know that, but it doesn't change the fact that I love and miss you. You have my heart and always will.
