Out thoughts and deepest sympathy go to Bill's lovely wife and family. At Towne Hardware in Mastic Beach he always greeted his customers with a smile and a warm greeting. And he was never too busy to help find a solution to any problem. Bill was a gentleman who was respected by everyone who met him and we are sure there was a special place reserved for him in heaven.

Dear Lila, Cliff and Ken, Bill will always be in my memories as a dear friend, confidant and someone Hans and I loved and more important respected. He was like a father to Hans in many ways. I know the loss you're feeling and I wish I could make it better. Now, the three of them are fishing, Himer, Hans and your Dad. I hope they don't run out of gas. Love, Kathy

My Dad, My Friend. I want to thank you for being my Dad and my friend. Words will never describe how much I loved and still love you. I want to thank you for all you have done for me. Even until the very end you thought of me and waited till I was at your side along with Mom. Once you knew we were safe and would remain safe and it was not until then that you slowly took your last breath and went to heaven to join Nana & Grandpa, Linda and Dorine. I will take care of Mom as well as myself and wanted you to know that you were the best Dad a guy could ask for and a good friend too. I love you and always will. Your son Cliff

My Father was a man's man but showed me how to love and respect everyone, for this I thank him. But now he is with the Lord. He loved my mother dearly, boating fishing and the Navy. Thanks to MercyMe for the following lyrics. I'm gonna wrap my arms around my daddy's neck and tell him that I've missed him and tell him all about the man that I became, and hope that it pleased him. There's so much I want to say there's so much I want you to know. I love you Dad. Ken
