Ms. Landry I am sorry to hear about your loss. I met your husband a few times while you were teaching at Lee Road Jr. High School. You always talked about him in Science Class. You seemed like such a good match. The void death brings cannot be filled by any words. Only time and memories will get your family through this tough, emotional time. Your husband has completed his circle of life. May God watch over you and your family until you can meet with Tommy again. God Bless you!

As a 17/18 year old, one doesn't think of American History as the most important thing in one's life. However, looking back on those school days, I fondly remember Mr. Landry's American History classes as some of the best and most enjoyable. Keeping 17/18 year olds interested is not easy-he did it. Like the saying goes "If you can do it, it's not bragging." He was one of the best. Ken Camallo, Class of 1958 LGHS Reserve

I was so sorry to learn of Mr. Landry's passing. He taught me in Reserve and I often say he was one of the best teachers I had. I grew to love history because of his classes. I also remember Mrs. Landry, but was not fortunate to have any classes with her. My prayers will be with your family.

Tommy and Carol were great teachers at Leon Godchaux High School. They will always be remembered and I had great sorrow on hearing about his death. He will be missed and I wish Mrs. Landry my prayers. I can remember inviting Mr. Landry over to my parents home to eat boil crabs. Thanks to both for great memories.

Mr. Landry's personality, humor and charm made his class fun and interesting even though I didn't think I would like American History. He was a role model to me in his character and in his everyday life as a teacher and a mentor. He will forever be remembered in my heart as one of my most beloved and treasured teachers. God bless you Mr. Landry and thank you for all that you taught me and for your shared words of wisdom that came straight from your heart. Evelyn Meyers Dixon Class of 1966
