John was my supervisor at Waste Management in Walker many years ago. He endeared himself to me back in those days when we were all so young and worked so hard. He spoke of his wife and two girls often. He was such a pleasure to be around and work for- His had such energy and enthusiasm for everything, We were the only Catholic's there! I am truly sorry to hear of his passing. My sympathy to all of his family.Cindy Johns Dawson

Lise,I was so sad to hear about your dad. I know it's been a while, but it seems like only yesterday he was cheering us on at our volleyball and basketball games. He always made me laugh and was such a great person. I will truly miss him. I'm so sorry I couldn't be there for you at the funeral today. My mom said it was a really beautiful service. My prayers are with you and your family.

It was a pleasure to be Mr. John's nurse for so long! Please feel free to save my number and to contact me if you guys ever need anything again. He would tell me all the time you are more than just my nurse you are a very dear friend! After his passing I understood what he meant when it affected me so dearly. Although, I know he is in a much better place and never again will suffer his presence will be greatly missed by not just me but many of our other staff members as well!
