Words could not express the sadness my family has for the passing of "Uncle" Mel. He was such a special person to us all, with his sense of humor and ability to turn even a serious situation into a laugh fest. I know the last few months must have been difficult for the whole Larsen family... you were NEVER far from our thoughts and prayers. We appreciate the gift of having known Uncle Mel and rejoice knowing that he has joined those that went before him in everlasting life. Your family will remain in our prayers, that GOD will grant you all a peace from within to cope with your loss.
