I was honored to get to know Dan, as well as I had, since I started working with him. I will never forget when he asked me why he was still here and I paused and told him "so others would get to hear him talk about how much he loved GOD." Oh yes, Dan still lives and hopefully a part of him in each and everyone of us. Thank you to Debra for letting me have the chance to work with such a beautiful soul. All my love to you Deb! Dear Deborah, Corrin, Daniel and Johnathan. It has been a very difficult thing to not be able to leave New Jersey to be with family at this time. But I have been there in mind, heart and spirit as I think of you and remember what a great brother and friend Dan was to me, just as I know he was a great husband and father to you. The people I know in NJ and other places have expressed wonderful and amazingly fine remembrances of him as well to me and I pass them on to each of you.

Dear Deborah, Corrin, Daniel, Johnathan. I am really so sorry that I was unable to get a flight out of NJ so that I could be there with you all right now. It is hard to be separated from family during difficult times like this but I am grateful that Michael, Margie, Fran, Herb and Bill were able to be there for you. I am truly there in spirit and praying for Dan as he asked me to last week. You are all in my thoughts, especially today, as Dan joins all of our beloved family who have gone before him.

Ms. Debbie, Over the years we have shared many experiences together which has provided wonderful memories. Some of the best memories were from Brookter Street and eating Mr. Dan's Saturday morning pancakes! The extended family relationship that we've gained over the years will be treasured forever. My prayers and deepest sympathy is with you, Corrin, Daniel, and Johnathan. Love, Katie Davis McRaney and family

I want to extend my deepest sympathy to Deborah, Daniel, Corinn, John, and grandchildren. My first memory of Dan was meeting him in 1990 when we first moved back to this area. We lived in the same subdivision and attended the same church. He very graciously agreed to take our two sons to church for Wednesday night services until we could settle in and get a 2nd vehicle. He was a fine man. May God grant you His grace that is sufficient, His strength to carry you, and His peace to comfort you. Love in Jesus, Grace Hutson

Our sincere condolences to the entire family. Dan was a great friend to me when I became a freshman in high school, he took time to talk and throw a football with and to me. I became best friends with his brother John through him, and John lead me to my saviour Jesus Christ. I will never forget him, I will recall his engaging , warm smile, his kindness, his sweet spirit and his love of family. My heart is asddened by his passing, but I will see him again in heaven. Peace be with you all, and God bless you.

Dearest Deborah, Daniel, Johnathan, and Corrin, Arnold and I are heartbroken to learn of Dan's passing. We spoke of him often; and I will treasure the phone calls made during these last few year. It was a privilege to have known Dan; a great man with glowing character. Arnold was especially honored to have Dan present at his retirement ceremony from the USNavy back in 1998 and always held Dan in high esteem. My business relationship with Dan was one of great integrity. It saddens us deeply that we are unable to attend his funeral; but know that you all are in our prayers for comfort during this time. God Bless the Lascari family. Cindy and Arnold Harris
