Jon, Stacy, Ms. Ann and Family, I have known you all for many years and I have met Wesley several times. He was such a good looking, sweet young man with a beautiful smile. My heart was broken when Jon called to tell me Wesley lost the battle with his Disease. He fought it so gracefully and strong. I admired this so much about him. My thoughts and prayers have been with you all during this difficult time. Wesley is very blessed to have you for his family & He had great friends who supported him. He is in God's arms now and free of pain. He will always be remembered in your thoughts, your hearts, and will be your angel watching over you. Sorry, I can't be at the services, but my thoughts & prayers are with you all today. Love you all and God Bless!

My memory of Wesley was one of a beautiful, loving, gentle spirit that brought so much love, joy and laughter. Wesley has left such a huge imprint in this world in his short 18 yrs. We had known Wesley for years and although we had not seen him recently he was always thought of and prayed for. Wesley taught us all what it was to be truly humble and be present. We are deeply saddened to see such an amazing life cut so short and will miss Wes always. For his parents and family, may God wrap his loving arms around all of you and give you the strength to carry on. You are all in our hearts, thoughts and prayers. We are all here for you if you need anything. Sincerely, Lisa Quigley and family

There are no words that can be spoken to take away the killing heartache. But what we must come to understand, God took a very special angel home on Feb. 4. I know Wes is an angel watching down on us and guiding us down the right roads of life. My love and support is for our entire family and that we get through this together because that is what Wes would want.

Wesley Forever An angel looking down upon us From heaven up above He may not be here with us But he sends his love He is keeping an eye on us And he is in our hearts As long as we remember this We will never be far apart He has gone on home To that place in the sky We've got to remember he is in a better place And not to ask why God was an angel short So he gave him a set of wings He put a halo upon his head And with God's choir he sings So let's not cry Please don't shed a tear Just look and listen with your hearts He is still right here. Wesley you will always be in my mind and always in my heart. I LOVE YOU, B.J.
