My thoughts and prayers are with the Leach family on the loss of "Granny" as those of us who knew and loved her thought of her. She was of very strong character and was always very supportive of me as a daughter-in-law. She certainly influenced my love of cooking and caring for children. I think that both of my children inherited some of her qualities and I am proud of that heritage for them. I regret that I cannot be there for her services but will always have fond memories of the times that I spent with her and the Leach family. Love, Susan Tabor Leach
