I think in this family, if you know one member, you know them all. I never knew Mr. Lee, or his wife, but knowing their daughter Lisa is all I need to know that they are very special people. I hope one day to meet Lisa' mom, Susan. I pray that God will help this family through their sorrow, and they will remember the happy times they had together. With Love... The Scala's

Its so hard to believe My Uncle Dougie is gone. I made him an Uncle and loved him from the time I was old enough know who he was. He took up alot of time with me when I was a toddler. I use to tell everyone that I was going to Marry him when I grew up. My heart is broken and I hope he visits me in my dreams. He was a man of God. No doubt to anyone who knew him where he is right now. I love you Uncle Dougie. I will see you again one day. You will always be in my heart.

To the Family of William Douglas Lee, Sr.: We all have someone who has died and sometimes we wonder why. God gave Adam and Eve the opportunity to live forever but Eve saw to it that she would disobey God's commands. They both suffered death from being disobedient. God promises us that if we obey that we will live on a paradise earth. Do you ever wonder what happens to us when we die? In Ecc. 9:5, states "For the living are conscious that they will die, but as for the dead, they are conscious of nothing at all." God made Adam from dust and Eve from one of Adam's ribs; but when they disobeyed God they return to the dust just as we do when we die. We have the hope of the resurrection and we will be able to see our loved ones again. As a dedicated Bible Student, please accept these words of comfort for this time of sorrow. From a very sincere Bible Student.
