I just tried to google my boyhood friend, Donnie LeGros and found this sad news of his passing. I am truly sorry. I knew Donnie through from second to fifth grade at Henry Heights and Brentwood Elementary Schools. I was the kid down the street whose dad was in the air force. We played little league baseball and football together. We won the Lake Charles City Championship in football. I moved away to Barksdale AFB and later played against Donnie's little league team that won the state baseball championship. Donnie was a great friend of my childhood. I remember him as fun, friendly, and very athletic. I hung out with him and Mike Terry and we enjoyed many wonderful boyhood memories and adventures in "the hills" behind our house on Texas Street. I have always held those memories as some of my best growing up and Donnie was a special kid that I was privileged to know and share our young lives together. Best regards, Mike Scheel

Dear Janis and Tara, There aren't words to describe the loss I feel but I know they are nothing compared to yours. Please know that you are in my prayers and everyone I know is praying for you and the entire family. May God, in His infinite mercy, give you the courage to face what is ahead knowing that you will not be alone. May the Blessed Mother send her grace to help you unite your suffering to that of her son, Jesus. No matter what you need, know that I am here for you now and always! I LOVE YOU! Bronnie
