I am truly and deeply saddened by the loss of my dear friend and neighbor Annette. I will remember her always and I can hear her telling me how proud she was of "her girls". I see her smiling and laughing when she told me her girls were pregnant and how proud she was when the grandbabies arrived. Our prayers and thoughts are with her girls and their families and my God guide you through this difficult time. God Bless

Annette was not only a neighbor but a dear friend. She was one of the sweetest people we know and we will certainly miss her. She loved her family and those grandchildren more than anything else in the world. I know she will be watching over all of you and I hope you find comfort in that. We all know that she is keeping things "in-line" up there and that heaven is a better place now with her in it. God Bless.
