For my Tommy I will miss you so much. Miss us going hiking, going for coffee every weekend, miss us going to the lake and most of all miss the way you looked at me. I think back and there is a song that you always played for me "I'll be there" by escape club, I have been listening to it over and over just seeing you sitting there listening and hoping that you are listening and knowing that I do miss you and will always love you. To Mr and Mrs Logan, Kama and Pat my heart is with you all. Celeste
