Stephen & Frances.....I went to St. Matthew's with you both and I very clearly recall the both of you. My Dad would have been 86 (b. 1921) and HE was born in Orange, (grew up in Newark). Sadly, we lost him in Nov. '93. I know how very sad your families are now, and I wanted to reach out to say how very sorry I am for you loss. I'm sure he was a special man and I'll keep him in my prayers. God bless...

I am so truly sorry for your loss. I had the pleasure of getting to know Mr. Frank at probably one of the most difficult times in his life, after he had his stroke. I was one of his therapist and each day I would look forward to going in and spending time working with Mr. Frank. One thing he never lost was his sense of humor. He had all of us cracking up with his daily jokes. Mr. Frank touched a special place in my heart and I am a better person for having known him the short time that I did. Mrs. Lusky, you and your family, are in all our thoughts and prayers over here at ST Tammany. Take care KELLY Corales
