I just wanted to say how very sorry I am to hear about Amanda. We recently worked together on a few projects in our History Education class and I am totally shocked to hear of her passing. She was really down to earth and always a pleasure to talk to both in and out of class. I will keep her in my thoughts and prayers always.

My Dear Friend, I will cherish what we had forever. As I close my eyes I will picture your beautiful smile that you always had whenever I came around. Even though I never told you how much I loved you, I wish I did. You will ALWAYS have a special place in my heart. Tomorrow is never promised! The best memory I had with you was when we were going down a 1 way street.. you went the wrong way.. cars we coming towards us. Even though we were in the wrong, you still honked and got mad because they were honking at us!! My oh My those were the good days!! Continue to be great, even in Heaven.. As someone told me, embrace your friends and family like you've never done before. Give them roses while their still alive because you never know when their time is up.
