Our Nephew Darren I wish you would have listen to me and Uncle Gary because we feel that you would still be with us today. You were a talented boy in your line of work and everybody liked you. Uncle Gary and I would like again to THANK YOU for all of your hard work on the building of our house. So we have offered to spend a few hours again with us and the family on our property. Tell your Mom and Dad Hi for us because I know you will see them and they will take care of you and tell your dad I have some more jokes for him. Love Uncle Gary and Aunt Linda
