I worked with Mrs. Joyce at Dr. Ellis and Dr. Vocke's office. I made a great friend when I started working with Mrs. Joyce. I loved it when she would sing to me in French. She was such a beautiful person. I will keep all of her family in my prayers, as she will be missed greatly by all. Daisy

Ms. Janine, Carl, Henry & Family. Ms Joyce was such a wonderful lady and long time employee who always brought class, dignity and fun to our office. She clearly loved all her family dearly, and I know her late in life remarriage gave her great joy, as did her children, grandchildren and friends. She certainly gave all in our office her very best and brought us delight in knowing and working with her. So sorry to hear of her difficult last few weeks, but grateful that she was able to be at home for her leaving us, as I know that is what she would prefer. You all have Tippi and my deepest sympathy. As I am now 2 weeks past Cervical disc emergency surgery, I have permission to drive, so will be sure to be there to pay my respects to one so beloved by all who knew her.
