Audra and Shirley, We were out of town on an extended trip and missed the services. We both have considered Greg a friend and a true professional in his field for over 12 years. Whereas we will miss him greatly, God has a plan for each of us, and He now has Greg even closer to Him. Our sympathies are with you and you family. We must all retain the wonderful zest for life that Greg had, both as a memory and as an example to emulate. Very Sincerely and trusting in God, Bob and Kathy Stiles

It is very seldom in life that we are fortunate enough to meet someone that possesses such special qualities as a person. Greg was one of those people. He was very inspirational, caring and smart. I always admired him for his successes in life and for his ability to find happiness in the smallest things. He always had a smile on his face everytime I met him. He was just the kind of guy that was genuinely happy to be around his friends and people in general. He was one of the good guys. Even though our family has moved to Dawsonville, GA after Katrina, the hearing of Greg's passing was devastating for us. We're not supposed to lose the good guys so soon. He will be missed and remembered. My prayers and condolences to Greg's family.

The endless love for family and your two precious angels. The comfort and support you gave my family in our time of need. Greg was the first baby I ever held and he will always live in my heart. I am proud to call him my Godchild, my brother, my nephew, my friend. We always knew what the other was thinking. He would want us to find Peace in that our separation temporary. Audra, our prayers are with you and the girls. I am so sorry to see you have to deal with this at such a young age, it is NEVER easy! But, the Lord is with you this very second and the rest of your life. Try your best to find comfort in the fact that Greg is walking with Jesus. You will be able to smile again someday with the peace Jesus has for you.... the same way he brought me from being a widow with no desire to see tomorrow... What I have learned is that peace will come if you ask and look for it! You have to be strong for your babies... you are stronger than you can imagine as long as you get your strength through Jesus! He is our true Soul Mate ! I am here for you any time ... even if it is at 2am when you cant sleep.. you have my cell number and home number. Call me ANYTIME!! Love, Jessica

Dear Arthur Shirley, and Family, I read Gregory's obituary this AM. Please except my sincere regrets on his passing. Even though it's been nearly forty years since we last spoke, just know you and your family have always been in my prayers. I tried keeping up with your mother, Ms. Leah when I could; I always asked about your family. I also deeply regretted David's passing. Your mother filled me in with those details. Remember the "California Dreamin'" and all of the fun we had. I really miss those times. Again, let me express how much your loss means to me. I remember when Gregory was born and how proud you both were of him. If you can, call me at 985-851-5387 or e-mail me. I wish I could be there with you, but I am disabled having had two back surgeries and one open heart surgery and one bypass surgery. I also weigh over 300 lbs-go figure. Sincerely, Chuck Reading
