I was so saddened to hear of Patti's passing. We knew each other many years ago when we were both in the Jaycee-Jaynes. Patti always lit up the room when she walked in with her smile and loving spirit. My thoughts and prayers are with your family now.

Some of us have known Patti for a short time and others what may seem like forever. It now seems like not long enough. I believe in my heart that from the time we first met her it was plainly evident that Patti was truly someone that made a difference and symbolized the goodness and graciousness we all strive to duplicate. The smile, the laugh, the teasing, the mothering, the wise word, all given in love and drawing us back for more. Let her light continue to burn bright through Brad, Jessie, Nikki, Melissa and Braxton. May each of you touched by Patti, find peace and satisfaction in sharing so many beautiful memories with such a vibrant enlightening soul.
