Moma, I can only say that I love you and will always be there for you. Remember you told me once before when Glenn passed away that we all have our cross to bare, but it is always easier when the ones you love help you through it. Let us be there for you now and always. Buddy, I have years of memories stored up that I will always remember very close to my heart. Thank you mostly for being the father to me that I would not have otherwise had. I will miss you and Love you.

Mary, We were so saddened to hear of Buddy's passing. We were too late to attend the services but we thought of ya'll often over and spoke so fondly of you both in the past years. You are Buddy were like parents to me as I literally "grew up" in the garage apartment. You and Buddy will always have a special place in our hearts. All our love!
