I just learned of June's death today, and I want to extend my sincere condolences and take this opportunity to tell you what a wonderful person she was to me. I always enjoyed calling Kentzel's Printing and speaking with June. She knew me by name and was extremely helpful and knowledgeable. I will miss her bright, sunny personality. I am truly sorry for her loss, and my thoughts and prayers are with all of you.

June was one of those "once in a life time people"; she was that kind and that sincere all the time. I have so many memories of calling her and "getting he out of the house" in high school. We had great fun and cherished memories in our girl's group of VFL. God grant her peace and help her family heal from her passing.
