I only got to know Adrian for a short time. I remember him mostly from hurricane katrina. When they were forced out of there home for the hurricane, Adrian came to the little town of Lobdell where I live and am a voluteer fire fighter. He stayed the week here with us and was an honorary member. Adrian just jumped right in there and started helping all the homeless people here even though he was homeless himself at the time. His loss will be felt for a long time to come.He was a great guy with a great big heart. My thoughts and prayers are with his family and friends.

I will never heal from this, but I promise to at least try to be strong for the family. I will love and miss you forever, my baby! Your big sis, Foofer

Dana, Tallen & Gage, In your time of greatest sorrow, words are so hard to express of how much Adrian played a part in our lives. We were neighbors for so many years and with the mention of Adrian, I instantly remember so many memories and even the little "mischievous events" he and Justin were involved in growing up. They were inseparable. Justin and Adrian were the best of friends. We loved him. As others have mentioned, we agree, he was the funniest, most big hearted and such a caring person. We will miss him greatly, Nancy & Gary Norwood

Ms Dana, I want you to know that I'm here for you and the boys. You have a wonderful support team of people who are always going to be there for you. I want you to know that you and Mr. Adrian are 2 of my favorite parents. I loved when he'd come pick up with boys and pass through the kitchen where my room is and stick his arm way out and wave to me and say "Hi Ms. Tiffany, How are you doing today?" Just to know that someone would go out of their way to make you realize that someone cares certainly says a lot of someone's character. You're a wonderful mother and I admire you so much Ms Dana. I love ya' so much! HUGS! From Ms Tiffany (Little Red Schoolhouse)

I loved Adrian so much. Adrian was such a great person. I am going to miss him so much. He had such a big heart and a real soft spot for Tallen and Gage. Dana I know that nothing I can say will help you in this great time of sorrow, but know that if you need anything all you have to do is call. Even though I never got to meet Adrian's mom I feel like I know her because Adrian was always talking about how much he loved her and how much she loved him. My heart really goes out to her today. I will never forget My little brown boy. Love ALways ~Donna
