My deepest sympathy to all the family. I sincerely apologize for missing Bill's funeral services, I was out of town at a retreat. Bill and I worked together with Mobil and Bill used to keep me lined out. I will miss seeing him at the Mobil luncheons, but I do have some fond memories of our times together.

Dear Donna, Gloria & Ruth: We are so sorry we could not attend, as planned, the services today for your Dad. I (Joe) had lower left leg problems during the night and could not walk without severe pain. We want you all to know how much we will miss Bill just as we miss your Mom. They were just wonderful friends. Your Dad was greatly respected by all at work and he was a big help to me anytime I (Joseph) sought his advice. As you may know, our friendship goes back many years which started in Lake Charles. Just wanted you all to know that we often think of your parents and will continue to do so in the future in our prayers. We send our sympathies and hope in some way our thoughts and prayers will provide some comfort during this time of your great loss. We send our love and God Bless all of you.
