To the family, I went to church with Donice and to high school. Donice sat right behind me in American History and we both conspired in our senior year to get through that class. We had lockers next to each other and I always made the mistake of putting my gym shorts in his. I still laugh when I remember him holding up my gym outfit by his two fingers like it was diseased and asking me if it was mine. He was a sweet sweet guy and I am so sorry we never got to see each other again. I loved him like a brother. I am so shocked to hear of his passing and saddened for all of you. My prayers and sympathy lies with you all. Evelyn Meyers Dixon - Class of 1966
