My deepest sympathy to your family in your time of tremendous loss. I went to school with Cecil at St. Martin's and had the good fortune to reconnect with him last year through mutual friends. The last time we communicated, it was Cecil sending me a note after reading a memorial blog to my late husband. He said, "I will keep Charlie in my prayers tonight". Tonight Cecil, you and your family will be in mine. Godspeed and may we meet on the other side.
